Radama Dive Cruise — 7 days

7 jours

Nosy Be & its archipelagos

dès 1 390 €

Tanikely, Greg's Wall, the black-coral forest of Black Wall, Sugar Loaf and the 5-metre shoal: seven days of diving in search of whale sharks and manta rays.

ITINÉRAIRE JOUR PAR JOUR

JOUR 1

Tanikely & Russian Bay

First dive in the Nosy Tanikely underwater reserve: corals, groupers, stingrays, manta rays, turtles. A second dive at 22 metres between coral blocks, to a bank of white gorgonians — turtles and white-tip reef sharks. Sail to Russian Bay.

Repas : L,D · Nuit : à bord

JOUR 2

Kalakajoro

Early departure for Kalakajoro island, the Radama archipelago's main dive base: two shallow dives.

Repas : B,L,D · Nuit : à bord ou sur l'île

JOUR 3

Greg's Wall

Course for "Greg's Wall", one of the best-known sites for its underwater flora and fauna: two dives, on the wall and in the cave. Back to Kalakajoro in the evening.

Repas : B,L,D · Nuit : à bord

JOUR 4

Black Wall

Discovering "Black Wall", an astonishing forest of black coral inhabited by large groups of pelagic fish.

Repas : B,L,D · Nuit : à Antany Mora

JOUR 5

The whale-shark plateau

Two shallow morning dives on a coral plateau where groupers and whale sharks live.

Repas : B,L,D · Nuit : à Antany Mora

JOUR 6

Nosy Kivinjy — Sugar Loaf

Dawn departure for Nosy Kivinjy, the “Sugar Loaf”: two dives, then back towards Russian Bay.

Repas : B,L,D · Nuit : à la baie des Russes

JOUR 7

The 5-metre shoal & return

Two dives on the “5-metre shoal”, looking for whale sharks and manta rays. Lunch, sail to Nosy Be and disembarkation in the late afternoon.

Repas : B,L
